Dear Members and Friends

I trust many of you are enjoying Durban in July whether you are digging in your garden, walking by the sea or back at work!

Our July SANS presenter is Steve Kotze who has tracked down an interesting article on the 1918 Flu Epidemic.

The attachment **Historia (May 2020)** is a newsletter which includes an interview between Julie Parle and Howard Phillips whose book "In a Time of Plague" has attracted much interest.

For those interested in purchasing the e-book **The Historical Publications of Southern Africa** is selling the digital version at R250. The book is advertised on their website <http://hipsa.org.za>.

With museums open and restrictions being lifted we hope to be able to organise a SANS meeting at a future date.

Meanwhile stay safe everyone and thank you Steve for sharing this with members.

Best wishes

Kind regards

Angela St George

Chairman
