NEWS BRIEF – 020 – HARRY GWALA INVITATION

The year 2015 marks 20 years since the indomitable 'Lion of the Midlands' *UM'tomdala* died. As we reap the fruits of our democracy let us forget not the role played by him and others and all our forebears in the struggle against the tyranny of apartheid. In so doing eThekweni Municipality's Parks Recreation and Culture Unit would like to extend its invitation to you and your partner to join hands in the forthcoming Harry Gwala Lecture to be delivered by Mr. George Mashamba on the 2nd September 2015 at Moses Mabhida Stadium's Mixed Zone Suit. Mr George Mashamba was once incarcerated at Robben Island with Harry Gwala and other struggle stalwarts. The Lecture seeks to reflect on the political, social and economic ideals and philosophy the late Harry Gwala advocated throughout his life with the view of building this beautiful and beloved country of ours, South Africa.
