

DURBAN ART DECO SOCIETY

Affiliated to ICADS - International Coalition of Art Deco Societies

SUNDAY MORNING: 23 July 2017

9h30 for 10h00

CURRIES FOUNTAIN TO RED SQUARE TOUR

Please join us for an interesting talk, followed by a gentle walk to explore this historical route. Leonard Rosenberg of the Durban University of Technology will give the lecture and then he will lead the group past the various points of interest along the route.

We will park our vehicles in the guarded premises of the Curries Fountain Sports Ground. The talk will take place in the administrative buildings there and then we will walk to Emmanuel Cathedral. A minibus will ferry the drivers of the individual vehicles back to Curries Fountain after the tour at 12 noon. The drivers will then be able to return to the cathedral to collect their respective passengers.

Parking: Please enter the gate at Curries Fountain Sports Ground and the parking is on the right hand side, about 200m from the gate. (The entrance is opposite Ritson Campus).

Charge: R30 per person including notes. (A 20-page booklet compiled by Leonard Rosenberg will also be on sale)

RSVP: by Monday, 17 July 2017. Please let Carol Allan know if you are planning to join us, so that we can print sufficient hand-outs.
