Dear Members and Friends

An outing is being planned for **SATURDAY 6 MARCH 2021** and this takes the form of a nature walk through Pigeon Valley in the heart of Glenwood.

Our tour leader is Crispin Hemson who writes the interesting articles on the bird life of Pigeon Valley in the Berea News each week.

The two hour walk **starting at 8 am** does require a moderate level of fitness and members will need to wear clothing and shoes suitable for a bush walk. The reward will be the interesting flora and fauna and wonderful bird life. Bring a camera and your binoculars!

Numbers are limited to 15 so we do ask that you reply to Johan van der Berg ([jowil2020@gmail.com](mailto:jowil2020@gmail.com)) before **Tuesday 23 February** and include your **email and cell phone** number so that we can provide you with further details. If more members are interested, we will organise a second outing soon.

All Covid precautions will be in place.

We look forward to your positive response.

Kind regards

Angela St George
