10 February 2021

Dear Members and Friends

I hope 2021 has started off on a positive note for you in spite of Lockdown Level 3 which certainly curtailed SANS activities. We are hopeful that with the decrease in Covid numbers in recent weeks that we will be able to make plans for outdoor activities in March.

Meanwhile this presentation by Jackie Kalley of Otterley Press is delightful and based on the book **Farmhouses of Old Natal**. Even if you have the book, you will enjoy this video as it includes new information and is a personal history. For those members who enjoyed the excursion to the Oaks at Richmond and the 2018 Nottingham Road tour it will bring back memories of places visited.

The book is still available from Otterley Press and members can email jackie@otterley.com for further details. Hugh Bland was responsible for the photographs in the book.

Simply click on the link below and enjoy a virtual SANS February talk.

We hope to be in touch soon with details of events planned for 2021.

Kind regards
